### Principal’s Message 8.8.2014

**80th Anniversary Activity!**

A reminder for all families to be prepared for the Old Time Dress Up Days to recognise the 80th Anniversary of Upwey Primary School.

Monday 18th August will be our first Old Time Dress Up Day with the grades going back to the old days when classes first started at Upwey Primary School. The grades will be doing rotations to complete a variety of activities from the 1930s as detailed on a separate flyer accompanying the newsletter today.

On Tuesday 19th August (our actual official birth date) we will also have children and staff dress up in Old Time Costume for the 80th School Parade through the Upwey Township from approximately 12:30 until 1:00 pm. As a whole school we will be taking a historical walk in old fashioned costume from the church hall where the school began, through the Upwey Township and back to the school as a Historical Tour to celebrate the origins of the school.

---

Our Year 5 & 6 students were very lucky to see the Upwey High School’s Production of “Joseph and his Technicolour Dreamcoat”

80TH ANNIVERSARY PHOTO OPPORTUNITY FOR LOCAL NEWSPAPER!

If anyone is able to be organised to display their Old Time Costume on Thursday 14th August for a quick newspaper photo shoot/article could you please contact me on Monday 11th August and I will organise with the press. This will support our publicising of the 80th Anniversary activities at Upwey Primary School.

iPADS

Grade Prep/1C and Grade 2E have experienced their first use of the new iPads and have tried out a few apps that we are going to use, including Mathletics. They are proving to be great value for consolidation and enrichment of literacy and mathematics concepts for a start.

YEAR 5/6 CAMP

Our Year 5/6 children will be heading off for the Beechworth Camp at the Old Priory and experiencing the snow at Mt Buffalo as well as the many historical sites around Beechworth. Children will be arriving early on Tuesday 12th August and preparing for departure at 8:45 am. I am sure the children will have a great time. As I will be attending the camp Mrs Eeles will be in charge during my absence. Boy that snow should be great!

TRIBES AWARD – GRADE 3/4 G

The Year 3 & 4 children in 3/4G participated in the HoopTime Basketball tournament at Knox Stadium, Boronia on Wednesday this week. The Future Stars Upwey Warriors team were the eventual Grand Final winners and were rewarded with their own basketball. Staff were extremely proud of the involvement of the children and their desire to “have a go” especially for those who have not really played basketball before. Thanks again to Sue M for organising the extracurricular activity involvement, Natalie O, Sue C and Miss Weathlake for coaching the teams and thanks to Caitlin S, Kiana G and Rhiannon M for assisting with scoring for the three teams.

TRIVIA NIGHT

The PA/Fundraising Committee presented a fantastic Trivia Night event last Saturday evening. The turnout was the biggest for many years and everyone had a great time with enormous amounts of entertainment, silent actions and quiz work. The eventual winners were Table 9 (The Staff Family table again!), but they were given a race for their money by the Bush & Gannon Families who were runners up. All the teams can be congratulated on a hard fought contest with the teachers’ tables lagging in fourth and sixth positions. Thanks to Graeme and Lyn for running the evening so well and the PA/Fundraising Committee for all their hard work which resulted in raising just over $2,200 for the school. A magnificent effort indeed!

UPWEY HIGH PRODUCTION REHEARSAL

Our Year 5 & 6 children were invited to attend the dress rehearsal of the Upwey High Production of “Joseph and His Amazing Technicolour Dreamcoat” on Wednesday this week and thoroughly enjoyed the experience. It was an opportune moment with the children being involved in their own auditions for our Production of “Kids At Sea”.

CROSS AGE TUTORING – UPWEY HIGH PE STUDENTS

Thanks to Mr Peter Castillo and his VCE students who ran the Physical Education skill sessions with Grade 2E this week. The first session was on Tuesday and the second session on today 11:30 to 12:30. The High School students worked the children hard and gave them opportunities to practise many skills.

PARENT OPINION SURVEY

Randomly selected families received the annual Parent Opinion Survey last week and the return rate has been very good but there are still several not returned. If you are the ones selected I ask you to please complete the survey with late returns required at school by Monday 11th August. This will definitely be the last day for return as the surveys must be mailed at that time. Children bringing in the survey to the office by this date will receive a Freddo Frog (for the parents of course) as recognition of the survey return to school.
