### 1. School profile

Upwey Primary School was established in 1934 and is located approximately 45 kilometres east of Melbourne. We have 130 students enrolled from Foundation to Grade 6 and 20 school staff members.

Our school grounds back onto native bushland, and we are surrounded by a supportive community. 75% of students that attend our school live locally and tend to walk or ride their bike to school. Upwey Primary School has developed close ties to the local community, and enjoys support from our local shops and community services.

Our school has 9% of students born overseas with an increasing number of students having a language background other than English. We currently have no indigenous students at Upwey Primary School.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

Upwey Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community.
